

Chartwells School Dining Services is pleased to present our RUSD Catering Guide. This guide has been designed to suggest menu ideas for your special events. This is only the beginning of the wide variety of selections we can provide. We look forward to the opportunity to fill all of your catering needs.

Catering Requests

Requests may be made Monday through Friday, between the hours of 8:00am and 3:00pm by calling Chartwells (262) 664-8700 and ask for **Bev** or thru Google e-mail. Chartwells@rusd.org.

Menu Selection and Pricing

For normal weekly catering of breakfast, lunch, dinner and snacks, **Five (5) business days notice** is appreciated to process your order in a timely fashion. Late orders may incur a late charge. Large gatherings over 100 require a minimum two-week notice. On all orders, you will need to give an estimated number of guests to be served at the time of your booking. A guaranteed number must be given to the Manager responsible for the event three (3) business days prior to the event or we will assume the larger number estimated for your billing. There will be a **\$20.00** delivery charge for orders less than **\$50.00**. (****Special Note: no service charge on cookie orders from Gifford if put on truck when lunches are delivered**)
Caterings that need to be delivered after 3:00pm are subject to an extra charge for cost of truck and driver on overtime. That cost will be \$35.00.

At the time of your order you will be given a price quote and a copy of your order will be sent via e-mail for your approval. You **MUST** return the approved order along with an account number to be charged in order for the event order to be filled. Catering quotes given include all paper and service supplies. We can also rent special items for you at cost.

Please be advised that if no account number is provided then payment in full (Made out to Chartwells) is due before time of delivery.

Set Up and Clean Up

Your order will be delivered and set-up per your specifications with service ware and table coverings.

"After the event, all non-disposable items need be returned to carts the they were delivered on. We will take care of this for a \$20.00 clean up fee. Should you choose to have someone who will be attending the event take care of this task, the fee will be waived."

Cancellations

There will be no charge for functions cancelled three (3) business days before an event. Cancellations after this period will be subject to costs incurred at the time of cancellation.

We look forward to serving your catering needs!
